RED WINGS TRIUMPH OVER CANMORE 5 TO 4 TO ENTER SEMI-FINALS

The Red Wings took a 1 goal lead over Canmore, here on Friday night and held the Canmore team to a 2-2 tie on Monday night at Canmore, winning the two game series by 5 to 4.

The game here on Saturday was no doubt the best of the season, with good ice and a good crowd was on hand to see the Wings take a 2-1 Victory.

The game opened with Canmore in the attack, but they were unable to break through the Strathmore net. Bill Giorax opened the scoring when he took G. Giorax's pass to put a hot one between Kaziemir's legs. This came play took place again in this period but Kaziemir blocked Bill's shot.

There was no score in the second Van Tighem and Giorax were penalized. Jerva on two occasions. The Wings forced the play near the end of the frame and Kaziemir made a sensational save when George Giorax was right in on him.

In the third period Canmore still forcing things but on a strong power play but when Giorax was penalized C. Giorax, Collicott and Giorax made a three way combination play and George nested Collicott's pass, putting the Wings 2 to 1. With Giorax back on Canmore again, Collicott, Jerva, and Logichuck succeeded in beating Cleve with a hard shot from the blue line, making the score 2-1 which it ended.

A crowd of 1200 people was in at attendance at the second game, in Canmore on Monday night. This crowd included a good number of Strathmore supporters.

The game opened with Canmore forcing the play trying to tie up the series and Cleve was kept very busy in goal. The Wings were winning by the breaks and Geo Giorax made one

Boy Scouts' Campaign

League of Nations. "They say I've got no army; but why should I want one with this ally?"

Excellency, the Governor-General of Canada, has been invited to open the Canadian Boy Scout headquarters in Ottawa this spring of the World. Lord Baden-Powell, by initiating a drive to increase the ranks of Canadian Scouts, has estimated a 100,000, has estimated the benefits of Scout training without an organized programme of kind for their boys. The Scout movement as a whole accepted his challenge, but expansion demand more trained leaders and more field work. To ensure the success of this movement he made a campaign for the next five years, a Campaign to raise \$500,000. This campaign was inaugurated on February 14th by E. W. Healey, K.C., L.L.D., Chairman and President of the Canadian Pacific Railway, who also President of the Boy Scouts Association in Canada. This Campaign has the hearty support of every thinking Canadian citizen.

Ottawa Letter

On Monday the ringing of the Dominion and any province. The Dominion has the right of way. As this is a taxation measure and the Dominion has the right to impose any tax, therefore, they can apply this measure. These reasons induced the Government to assume the power of putting the Act on the Statute Book. The average taxpayer feels that there should be uniformity in an Act of this kind and as it would be perhaps impossible to get all the provinces over to agree on a uniform plan it should on that account be operated by the Dominion.

Clerks in stores, Employees in Flour Mills Industries, Garages and Railways will come under this Unemployment Act. We pointed out that many C. P. R. men who only got 2 or 3 months work a year would not be included as 40 weekly payments must be made in 2 years before any benefits would be obtained. Also no premiums will be accepted unless the person is actually employed in an accepted industry. After a waiting period of 9 days, if the claim is accepted, benefits will be paid for 13 weeks. Also there may be a dependent benefit of 90 cents per week for a child and \$2.70 per week for an adult. If a man has paid for a long time and becomes unemployed he may get one additional day benefit for each weekly premium he has paid in years with no unemployment.

If he leaves his work without just cause or has been discharged for misconduct he cannot get benefits. Those employed in teaching, nursing, banking, insurance or on a police force or in the service of Canada or any province or municipal authority do not come under the Act. Those engaged in Farming, Fishing, Lumbering and Logging are also excluded. Beneficial services are not under the Act unless they work in a club or restaurant or hotel. The Commission will later be allowed to make recommendations to have classes included or excluded. Women pay 21c per week, men pay 26c, men get \$6 per week when their claim is accepted and women \$4.50.

This exhibit when will be the 2nd show in Strathmore is increasing in interest, and in each year, attracting a larger number of appreciative visitors. That the exhibit is proving of real value is shown by the number of Alberta artists who are being implored to put their talent into creative forms. In addition to some very beautiful pictures the exhibit includes this year some very fine examples in the casting of metals, etching in copper and steel work, woodwork, etc.

An exchange says the embroidery shows such distinctively Canadian designs as rows of elevators, boxes, a wire fence, sleeves of velvet, fly-gear, horizons, etc., many showing the wind blown effect that would place them as of Alberta origin. Holed rings, apple core, pine, sack, sack, braided rugs, crocheted work, petit point, all formed a part of this most interesting exhibit. The exact date will be announced soon.

Mr. Ray Melvin will continue to make his headquarters in Strathmore. His promotion in the Imperial Oil Co. Service will take him away from town often, yet we are pleased to state Ray will make Strathmore his chief stopping place.

Word has been received in Strathmore of the sudden death in Edmonton of W. E. Brown of Victoria, formerly of Strathmore. Mr. Brown was followed by his daughter and the death occurred following a slight operation. Internment will take place in Victoria. Sincerely sympathy is extended this bereaved family.

The proposed cut of 60 per cent in the duty on cattle to U. S. will prove one of the best bits of news which has come over the wires to Western farmers for some time. J. H. G. Hoadley will arrive for this at the next conference planned for next month in Washington.

Mr. Patterson and family are moving next week to the house on Mr. DeWitt's farm.

Mrs. Elsie Johnson was a week and guest at the home of Mrs. Agnes Gior.

Mrs. Barnett has returned to her home in Nanton after having spent several months with her daughter, Mrs. Shrimpton and Mr. Shrimpton.

NAMAKA FARM
A most delightful Valentine party was held at the farm. Twelve little people below school age were the victors. The eight foot giant inspired many with awe. After the program refreshments were served by Mary Thieszen, Agatha Bergen and Agnes Willis.

The second issue of the school Pals will soon commence its circulation.

A number of friends gathered at the home of Mr. and Mrs. J. P. Jones to wish the lady of the house many happy returns for her birthday.

Rev. A. Towas has just left on a three week tour to the Peace River district where he will serve several centres.

STRATHMORE ON THE AIR

The broadcast of the hockey game in Canmore Monday evening, arranged by the Strathmore club officials and made possible by the generosity of Strathmore and Namaka citizens putting it on over C. J. J. The Albertan broadcasting station, by remote control from Canmore with George Ross, the popular sports announcer proved a real thriller for everyone in Strathmore and surrounding district. We congratulate the boys on their splendid showing.

NOTES FROM EARLIER YEARS

NOV. 1-1925—Mayor Butler and Secretary F. R. Lilly are in Edmonton at present in connection with an application by the C. P. R. to have some of their land taken out of the town limits. The application is to be heard to-day by the Public Utilities Commission.

Reports to the effect that Mr. Crowther was burned out last week are grossly exaggerated.

Oct. 7-1925—Dean Tweedie who passed the grade XII examination in taking Grade XII. Esther Stockton is also taking grade XII subjects.

Strathmore School is being represented at Normal School this year very well, there being 3 taking the course for a first class certificate and two for second class. The names of those attending Normal are Grace Scher, Alvah Downey, Stephanie Chabertain, Maad Maroun and Jack Anglin.

Ellen Garfield has entered upon her course of training as a nurse in the Calgary General Hospital.

NIGHTINGALE

The Nightingale Nyctol met at the Hamilton house on Saturday Feb. 16. Eight members answered. The Roll Call with current events. The business of the meeting was the settling of the skating party funds. Plans for the club sampler were carried forward. An excellent paper on St. Gilbert Parker was read by Miss Kathleen Hamilton. The meeting was then adjourned. Luncheon was served by the hostesses. The next meeting will be held at the home of Miss Audrey Thornton on Saturday, Mar. 2. Roll Call is sewing suggestions.

The skating party Friday night at the community rink was a decided success. The moon was grand, the ice was keen. The hot dogs and coffee hit the spot. The Nyctol were pleased with the good attendance and wish to thank those who supported them so ably.

Miss Cullen and Miss Gibson spent the past week with the Coyes. Cullen family as Springhills.

Later Miss Cullen went on to Kamloops, B. C. to visit with her sister.

Mrs. Walker and Mrs. George Carlson spent a few days in Calgary.

The W. I. held their regular meeting at the home of Mrs. Jacobs last Thursday. The Valentines exchanged for Roll Call were very pretty. A discussion on the Poultry Marketing Plan and social credit followed. At the close of the meeting Mrs. Coops, on behalf of the W. I. presented Mrs. Chas. Kinnert with a pyrex cassette as a token of appreciation for her many years service as treasurer. Mrs. Kinnert responded expressing her delight at being remembered and at her willingness for service at all times. Plans were forwarded for the new quilt to be completed and sent to Education for the Provincial Convention. Next meeting will be with Mrs. Hill Feb. 26th.

The hockey boys played with Chedoke last Friday and at the end of play the score was 0-0. Harley Harman was unfortunate to have his right eyebrow cut by the puck. De Giffen put in some stitches and Harley says the game can go on any time now.

On Wednesday February 26th the Chedoke Hutes played a return game on local ice and lost the score to the tune of 4-0. A number of fans went to see the Chedoke-Strathmore game in the evening.

CRAIGANILER

The Play and dance put on by the Ladies ball team at Meadowbrook hall last Friday was a success. Although the weather was very heavy they have a nice surplus after paying expenses.

Mr. McDonald deserves great credit for the time and wonderful leadership and making the play at Meadowbrook hall a great success.

Jim Fraser of Gossip farm, Cravling Valley was a week end visitor at the home of Mr. and Mrs. Fred Lambworth at the Casino ranch.

A good crowd went in from Cravling valley last Saturday night to see the hockey match between Strathmore and Camrose.

THE OLD ORDER CHANGETH

The lively barn on Railway Avenue is being razed to the ground. In retrospect many an old timer will call the day when this barn housed the horses which they had ridden or driven into town from many miles around to attend the various social functions, which we are told were put on in "Fine Style," and which were continued for two or three days at a time.

Now the barn and the horse have given place to leased well lighted up-to-date garages with Neon signs and classy comfortable distance eliminating cars.

Perhaps in this transition no party is the change will have cause for more real relief and grateful feeling than the horse himself—for while he has been very faithful and intelligent friend, he has without doubt by many and on many occasions been treated in a shameful and heartless manner. While a car has a very decided way of insulating on proper treatment or quite emphatically refusing to move. We had the invention of the heated lighted, comfortable, rubber-tired distance eliminating car. Tourist travel is one of the best means of education, pleasure giving, information disseminating, provincialism banishing agencies, that our age affords—and so we bid farewell to Old Dobbin as a means of transport and hail the Automobile and the Aeroplane.

THE WEEK IN THE LEGISLATURE

Edmonton, Alta.—The week in the Alberta Legislature has been dull as far as oratory goes, although some good solid speeches have been made on both sides of the house. There has been very little of the cross firing usually associated with the debate on the reply to the speech from the throne.

This doesn't mean, however, that there has been none of the "beller incidents" so much enjoyed by the spectators in the galleries. L. A. Groulx of Grouard, (Liberal), Hon. Perrin

Baker, minister of education, A. M. Mitheson and others have joined in some quick repartee at times, but nothing of a bitter or unpleasant character has spoiled the general good feeling that has prevailed throughout the debate.

A very little legislation, and none of a very important character has as yet been brought before the members, and no bill has yet passed the second reading or committee stage. The debate on the throne speech will conclude this week and that will leave the members free to get on with the more solid work of the session.

With the elections in view this summer it is to be expected that all parties, government and opposition will have much to say for the benefit of the electors, but that phase of the proceedings has not yet begun.

So far the speeches of the opposition have been largely occupied with criticism of the government's policies and actions, in some cases it has been charged with inaction, speakers seeing things through colored glasses of their party policies usually. There has been very little of a constructive kind offered in the oratory. But that is a usual feature of the early stages of the seasonal proceedings.

During the week great interest has been taken in the office of the sergeant-at-arms, the holder of which for 21 years, Mr. J. W. Turner, was considered to be able through "falling" words part of the time. Friday he was back on the job once more and performing his duties with his customary dignity and efficiency, despite his 81 years.

The government appointed an assistant sergeant-at-arms for the session. Vol. McLean, member of the Liquor Commission's enforcement squad setting the honor.

Thursday night Hon. Geo. Howdley Minister of Trade and Industry, took occasion to reply to the opposition critics of the government and explained some of the conditions that had confronted the department in its various stages. Conservative and Liberal speakers as well as Labor members had spoken of what they said was the "inactivity" of government in connection with getting the work of this department started and Mr. Howdley defended his administration of the new department pointing out that it had been needful to thoroughly investigate every possible avenue of activity before launching out on any aggressive policy. But he promised action would be satisfactory when the time was ripe.

Several speakers stressed the necessity of doing something to lighten the burden of debt that weighed down on the farmers, and to lift the burden of high interest rates from the shoulders of the people generally. The government assured the house through its speakers that it had not been idle in this matter and would be indifferent to the needs of the people. Much will depend on the action taken by the federal government in this direction, however.

Announcement was made during the week through the public press that the government has engaged the services of Major C. H. Douglas, British economist, as economic adviser on social credits to the government. He will spend some time in the province early this summer and assist the government in its efforts to relieve the people of some of the heavy economic burdens that oppress them.

Former Premier J. E. Brownlee, has occupied his seat in the house during the week, but is likely to be away from Edmonton for three or four days next week, his physicians having advised a brief trip to the Coast. In order to overcome the effects of a recent severe cold, Mr. Brownlee will take no part in the debate on the throne speech, but he will be heard during the budget discussion when it is brought down to the house.
